LEAGUE OF WOMEN VOTERS OF DOOR COUNTY

Newsletter for November 2016

Now it's our turn. Forty-eight hours away from Election Day, and we are as ready as you are to look forward after months of rancor and divisiveness. The Door County chapter is enormously grateful to the volunteer members and donors who have made it possible to conduct voter information sessions at NWTC plus three high schools as well as hosting the 1st Assembly District candidate forum in mid-October. THANK YOU!

Coming Up on the Calendar

- Cancel: The previously announced "Wisconsin United to Amend" talk re: Citizens United, originally planned for November 15, has been cancelled but re-scheduled for 1/31/17.
- ALICE Presentation on Tuesday, December 13: Brown bag lunch (location to be announced) with United Way Executive Director Amy Kohnle introducing us to ALICE - people who are "asset limited, income constrained, employed."
- January 9, 16, 23 and 30: Government Operation discussions with local officials at The Clearing in Ellison Bay. Susan Kohout, LWVDC secretary and county board supervisor, has arranged for a fantastic array of speakers representing city, town, village governments. We'll send out registration information shortly.

- January 17 noon: Our traditional “Lively Issues” lunch meeting is always a spirited hour. Location to be announced in December’s newsletter.
- January 31, late afternoon at DC Library, Jane Greene Room: “Wisconsin United to Amend” discussion. This is too important an educational offering to let it pass. We’ll have appetizers and time to really learn more about the catastrophic Citizens United decision by the Supreme Court. Precise time will be announced in the December newsletter and on Facebook. Please invite a friend and plan to join us.
- Looking ahead: We are excited to broaden the conversation to include a program with Wild Ones and a highly anticipated presentation from the LWV Lake Michigan Region dealing with water issues. Our annual meeting will be in May 2017.

Board Volunteers Sought! The Nominating Committee, led by VP Cheryl Bishop, would be delighted to discuss board openings with any League member who would like to take that next step in participation. The Board meets once a month to continue and expand (if needed) League efforts across Door County. Drop us a note at lwvdcprez@gmail.com and thanks!

Any Retired CPAs or QuickBooks Experts Willing to Help?

Our local chapter is seeking a knowledgeable person to assist Treasurer Peter Sigmann with the financial duties. QuickBooks, either desktop or online, would be a requirement. Taking ownership of our reporting, invoicing, and bill payment will begin in 2017. Please let us hear from you if help is possible!

LWVDC plays a role in local matters than no one else can fulfill. We are non-partisan but political and welcome members who want to be informed about local, state, and national issues, and help determine the League’s position on same.
