My last chance to make this a January Update!!! Thanks to ALL for all the hard work discussing the State Positions both in December and in January!

"Group Order Being Placed" - The LWV DC Board is placing a group order of the LWV US publication, **Impact on Issues 2012-14 A Guide to Public Policy Positions**, A brief excerpt from the booklet's Foreword: "Impact on Issues is designed to help League members use LWV US public policy positions at the state and local levels. It not only includes the official statements of position for each program area, it also briefly traces significant past actions and achievements and indicates links among positions. This is a great resource! A clear understanding of LWV US positions, how they interrelate and how they complement and reinforce state, local and Inter-League Organization positions strengthens the League's "Impact on Issues" at all levels of government.

Please let Sandy Brown know if you want to order a copy; the cost is \$10.00 per booklet.
