P.O. Box 306, Sturgeon Bay, WI 54235

2013-14 PLANNING CALENDAR

Attached you will find the 2013-14 planning calendar as we have it so far. You will see that the left-hand column notes the schedule for board meetings; remember all members are welcome to attend any of these meetings. The right-hand column has a list of on-going committees and activities of our League. The middle column notes specific monthly activities for our membership and the public. This column is not yet complete as we are continuing to explore activities for the year.

FALL ACTIVITIES - MARK YOUR CALENDARS!

September 17 marks the 226th anniversary of the signing of the U.S. Constitution.

September 19, **6-8 PM** on Thursday **at Crossroads**, a program will highlight water quality data collected over recent years in Door and Kewaunee Counties. The program will begin at 6:00 PM. Peter Sigmann, a member of Door Property Owners and the League, will present lake and well water data collected from Little Sturgeon over a 12 year period. Members of Door Property Owners have volunteered their time carefully collecting and logging data. In addition, two members of Kewaunee Cares will share information gleaned from their stream and well measurements. Kewaunee Co has an evolving groundwater situation that could affect Door County. For more information contact Barb Graul at [920-743-6842](tel:920-743-6842).

2 presentations by Dr. Paul Connett:

Sept. 25 11:00-11:15 a.m. Eddy Allen Radio Talk Show on WDOR, 93.9 FM

Sept. 25, 6:30 - 8:00 p.m. Crossroads at Big Creek, 2041 Michigan St., Sturgeon Bay. Dr. Paul Connett, an internationally recognized expert on sustainability and zero waste principles, will outline steps communities can take to minimize the need for landfills and explain why waste-to-energy facilities are an unnecessary hazard to human health. He will share the progress other communities have made with developing a zero waste timeline and how local citizens can move northeast Wisconsin on the path to zero waste.

On Fri., Oct. 11 at 10 am we can use your help in the Sturgeon Bay Library Conference room for stuffing envelopes for our finance drive. You would be welcome to stay for our monthly Board meeting, too.

Oct. 17, 6-8 pm on Thursday at Bayview Church, **Health Care (Afford. Care Act) - panel including radio commentator Carol Coby and others. Watch for more details.**

TerraCycle - Sustain Door is collecting: ink cartridges, old worn out computer mice and keyboards, dead cell phones, dental care items of all kinds (even old tubes!), scotch tape related items: cores, dispensers, etc. Ask your LWV Board member if they will take them and we will get them to Sustain Door!

Congratulations and best wishes to newly married Madeline Johnson, one of our Board of Directors!
