

Race to the Polls

We all have a role to play in addressing the alarming racial disparities facing Wisconsin's communities of color. And there's no better place to start than at the polls.

By signing the pledge, you are committing to vote in the midterm elections and to vote for candidates who will prioritize racial justice. Please also share why racial justice matters to you, and why you will be making racial justice a priority when you vote. If you fill out the address fields, the Race to the Polls team will send the pledge card back to you before the election as a reminder to vote. You can also sign the pledge online at www.racetothepolls.org/signthepledge.
